*Multiple opportunities open per Big Game Grand, Saturday Dinner
& Friday Dinner sponsorship levels*

WHO WE ARE

"SCI First For Hunters" protects hunter's rights by actively lobbying on behalf of hunters at state provincial and federal levels. We are committed to passing the hunting tradition and experience on to youth through educational programs, hunting experiences and wildlife conservation projects. The community of SCI hunters promotes strong family values and helps to teach young hunters about hunting and the role hunters play in sustainable wildlife conservation. SCI chapters located around the world offer excellent opportunities for hunters to get involved in conservation and to make a difference. Please consider joining SCI WI, an organization that is First for Hunters and that works tirelessly to protect the freedom to hunt. Your sponsorship dollars benefit all those involved, including wildlife. www.sciwi.org. SCI WI is a nonprofit organization that relies solely on our dedicated volunteers, membership fees, fundraising events, and charitable contributions to carry out the battle to protect the freedom to hunt.

PLEASE CONSIDER BECOMING A SPONSOR!

Planning for this premier event is in the works now and we are asking for your support. Please consider becoming a sponsor – your donation is especially important and will contribute to the lifeblood of this conservation organization.

Your sponsorship donation is the source for funding of:

- Education efforts
- Humanitarian efforts
- Hunter's Rights efforts
- Conservation efforts

**Totaling \$145,814 for fiscal year ending June 2024
– Over \$3,986,230 through the Chapter's Life.**

There will be outfitters from around the world, plus taxidermists and retailers onsite for the entire two-day event. Friday and Saturday evenings feature fabulous food, silent and live vocal auctions, raffles and camaraderie! Plus: guest speakers TBD!

Through your sponsorship, donation, involvement and support you will help us continue to give back to the important groups and valuable programs that support the vision of the Wisconsin SCI Chapter.
